OTTO H. SCHULTZ — Administrator

Class of 1962

You were the first Freshman Class in the new high school building in September of 1958, and therefore the first class to have the privilege of being educated all four years in this fine modern building.

Those who worked for this structure, worked hard to make it a worthwhile reality. They knew that any goal that is worthwhile should be given our best efforts.

Similarly, your diploma is really only as valuable as the effort behind its attainment. So it will be all through life. No matter what you may choose to do after graduation, strive to work to the best of your ability and vitality. Only then can you find happiness and success.

You have the ability. You and you alone can decide if it is worth the effort.

Good Luck!

The hour is at hand. Yes, that hour we have all been working so diligently for ever since we first entered M H S four years ago.

In just a few short weeks we will have attained a high school diploma and will leave the protection of these school walls and will be expected to go, as our predecessors did, into the world and become a part of society.

We must enter into the world at a time when there is disagreement and unrest throughout the world. It is in this world, whether we be professional, semi-skilled, or a common laborer, that we must find a place and be a credit to not only our community, but to our country as well.

When we entered M H S as freshmen, graduation was to us a goal in the far horizon. As seniors with graduation imminent, the four years spent preparing for it seemed to have gone by much faster than anticipated.

Our teachers, advisors, and parents who have worked with us for these years, have made our graduation possible and without their assistance this goal could not have been achieved. We wish to express our sincerest thanks to each and every one of them at this time. We also hope that our future success will reflect upon this school in a way that will prove to be a credit to those people who worked here.

Hail to ole Mishicot, gaily we'll sing
 We'll shout and make the old ratters ring
 Alma Mater, school of the fr
 In all our triumphs, we bow to thee
 So rise to your colors everyone
 We'll shout and cheer till victory is won
 Mishicot High School, we bow to thee
 Oh hail to the school we love

U-RAH RAH
 Cheer, cheer for old Mishicot High
 Shouting the watchword, "to do or die
 Orange and black, we're backing you
 Loyal in spirit, strong and true
 Come on and cheer for your colors
 Cheer for your name
 Boosting the score up, keeping the game
 Fair and square so we may be
 Proud of our victory

Our FHA, organized in 1949, has 93 members this year.

In October, the mothers of all the officers became Charter members of the Chapter Mother Unit.

Ruth Pfefferkorn, Kathleen McManus, Barbara Meyer and Jane Schwake spent an enjoyable and profitable week getting new ideas for our chapter at the State Convention held each year at Green Lake in June.

At Halloween the members helped children of less fortunate nations by going trick or treating for

UNICEF, the United Nations Childrens Fund.

"B" awards were received by Kay Lynn Koruske and Donna Stoker representing our Chapter in the Junior demonstration contest. Susan Bayl demonstrated in the Senior division.

The Barbecue, Christmas Party, FFA-FHA Roll Skating Party and Mother Daughter Banquet highlighted the social activities.

Even popping corn, selling magazines and washing cars were enjoyable as we thought of the fun we would have on our trip to Madison.

The Mishicot F.F.A. Chapter is one of the largest in Manitowoc County. It consists of 81 members and was organized in 1940. This is the 21st anniversary of the chapter.

The chapter consists of two sets of officers; the regular and junior officers. The regular officers are: President, Aloyce Seidl; Vice President, Gerald Sneberk; Secretary, Dennis Zimmer; Treasurer, Gary Schmooock; Reporter, Tom Grimm; and Sentinel, Francis Shimanek. The junior officers in the same order are: Bill Schroeder, Lyle Grimm, Gary Zeman, Albert Sehr, Hugo Weigert, and Dale Schmidt.

As a part of the officers training, both the regular and junior officers attended an officers workshop held at Plymouth, to learn more about the duties of their respective office.

As a part of classwork, the freshmen and seniors attended the Northeastern Wisconsin Junior Livestock Show at De Pere. The Mishicot Chapter is represented by a judging team composed of Aloyce Seidl, Gerald Sneberk, and Gary Thielbar. The team received a "GOOD" rating. On February 1st, Aloyce Seidl won the school F.F.A. Public Speaking Contest. On February 27th, Aloyce represented Mishicot at the district contest held at Edenville. There he was awarded third place.

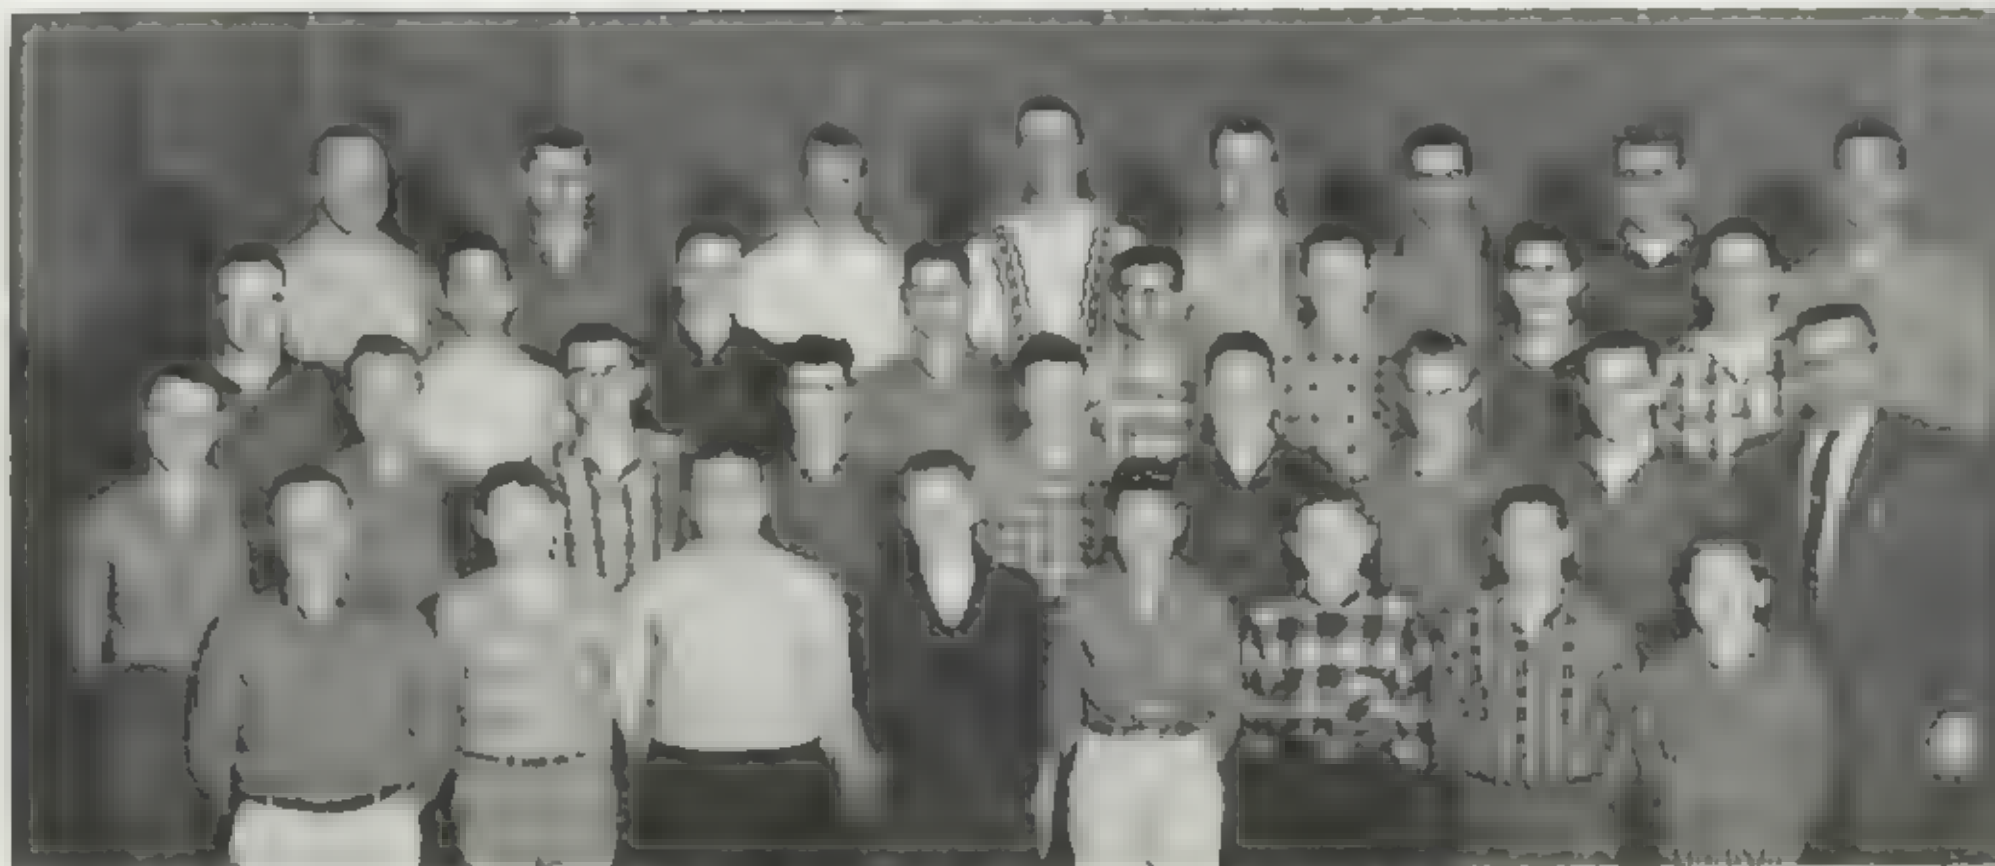

Robert Grimm and Glenn Schmidt represented our Chapter at the State F.F.A. Convention at Green Lake on June 13, 14, and 15. At this time they received the Wisconsin Farmer Degree. In August of that same year our Chapter recognized Paul Mueller as the outstanding farmer in this community.

The F.F.A. and F.H.A. have a joint roller skating party every year and an outdoor barbecue and a Christmas party. They also go on a trip to the State Fair. All of these joint parties are enjoyed by both clubs.

The main event of the year was the 16th Annual Father and Son Banquet which was held on April 26th. The presentation of awards was the highlight of the evening. Each year, recognition is given to the outstanding Senior in Agriculture. Gerald Sneberk received the award.

The Chapter has many fund raising projects. Selling garden seeds and rat bait are the most important ones. The Chapter also has equipment available for rental by farmers and members of the Chapter. Certified seed grain trees for windbreak and woodlot planting, certified seed potatoes, virus free strawberries, and small fruit trees are available to members.

Officers of the Mishicot Jr. Dairyman's Association for 1961 are: President, Gerald Sneberk; Vice President, Gary Schmooch; Secretary, Aloyce Seidl; Treasurer, Gary Thielbar; Reporter, Robert Rezek, and Manager, Myron Mleziva.

The MJDA is an important part of the Vo-Ag program and consists of students who are carrying out a program of dairy herd improvement in their home herd. By carrying out such a program, they are able to determine the production of the individual cows in order that poor producers may be culled from the herd. Replacement stock can then be selected from dams with good production. Also,

a systematic program of feeding according to production can be followed and close records can be kept on the breeding program.

There are 48 members in the Mishicot Association, and it is affiliated with the Wisconsin Dairyman's Association and participates actively in their program of work.

Delegates will attend the District Convention in Casco, Wisconsin on March 20. Delegates will also attend the state Convention and dairy show, which will be held at Mondovi, Wisconsin on June 18 and 19.

"When's the Oriole coming out" is a familiar cry in the halls of MHS. The answer is monthly.

Here's a tracer of the Oriole before the students receive it. Reporters are responsible for fact-finding. This information is then relayed to the editors. Their OK sends the material to be dummied and put on make up sheets to give an idea what the paper will then be like. Proofreaders check the articles which are then stenciled. Stenciled articles are mimeographed and the paper is assembled and ready for distribution to students, faculty, and subscribers.

Special features of the Oriole include student comments on ideas which reflect the ideas of the entire student body, Platter Chatter which keeps up with the modern records and singers, and a preview of birthdays and coming events.

The persons pictured here are the members of the Oriole staff who try to bring you a school paper which all enjoy.

Office work is done on a voluntary basis. The main purpose is to help girls who intend to go out for an office job. The duties are not hard. These helpers receive experience in filing, answering the telephone, and assisting those who come into the office. They also take over completely in the absence of the regular office secretary.

These girls assist the teachers and are chosen on ability to do typing as well as other work. The girls are assigned to the teachers by the commercial teacher. The student secretary must report about every morning to the teacher. These girls must be prompt, efficient, neat, clean and friendly. This gives good practice for those who intend to go out for an office job or any clerical work.

The regular duties of the librarian include Preparing new library books, magazines and pamphlets for circulation, checking out books and other materials, examining and shelving returned books, pamphlets and magazines, repairing and cleaning books, issuing passes, assisting other students in finding materials, preparing due and overdue notices, and keeping the library clean.

In addition, the librarians put up window displays and bulletin boards each week to interest students in reading.

We also have a green card system. This means, whenever a pupil reads a book, he puts the name of the book and the author on his green card. At the end of the year, the pupils who have read the most books receive a reading certificate.

SCIENCE CLUB

Zimmer, R. Hess, W. Wilfert, J. Surfus, D. Nimmer, B.

Meyer, P. Tollefson, L. Thiele, E. Stuhr, J. Heinrich, B. Chizek, T. Tuschl, D. Cigler

A group of industrious students who desire scientific advancement constitute the Science Club. Wolfmeyer, who advises the club, has projected several interesting projects, including the

construction of micro-balances and the preparation of demonstrations for biology, general science, and physics classes.

Row 2—K. McManus, C. Urban, R. Pfefferkorn, J. Bartel, L. Baugriet, T. Tuschl, Mr. Ge'

Twelve members took part in planning and participating in the programs in the ninth year of the Radio Club at Mishicot. The members were divided into four groups, each group being "on the air" for fifteen minutes on alternating Saturdays over WTRW Two Rivers.

The officers of the club for this year were
President — Robert Hess,
Vice-President — Marsha Trierweiler,
Secretary-Treasurer — Richard Swade

A special program was given during National U.N. Week, dedicated to the work of the United Nations.

Full reports were also given on the sports results, the Variety Show, Prom, and special occasions during the school year.

The seven graduating Seniors of the Radio Club leave behind their best wishes for a successful club in the future years.

ART SERVICE CLUB

V. Zipperer, G. Thiele, A. Meyer, J. Demmin, R. Dvorachek, S. Bayless, P. Kocian, R. A. Sievert, M. Brieder

The Art Service Club is a new organization added to our school this year. The objective of the club is to improve the over-all appearance of the school. This includes setting up exhibits, planning decorations, designing stage sets, posters, programs, etc.

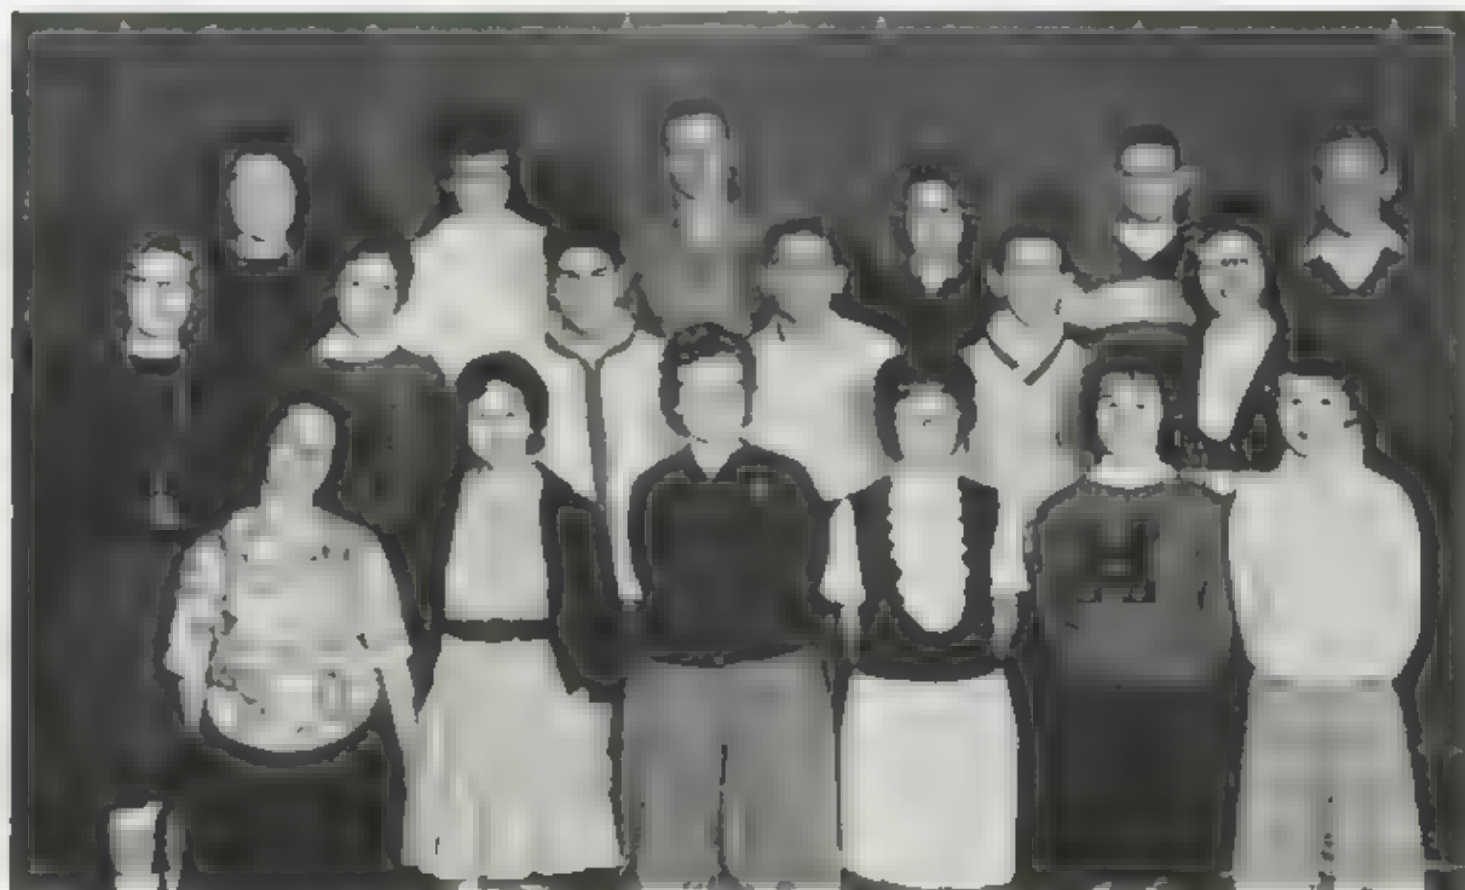

This year the main activity of the club members was the making of scenery and posters for the Variety Show. The club was also responsible for dance, box social, and card party posters.

The club not only makes posters for recognized school organizations but also for certain community organizations, depending on the quantity of work to be done.

The Art Service Club is not all work however; it lends an opportunity for personal art activities such as painting, sketching, and craft work.

In reality, the Art Service Club is a proving ground from which professionals of the future receive their basic preparation.

Forensics for this year included a new field Interpretative Reading in Prose. The regular fields are Declamations, Non-original Orations, Extemporaneous Speaking, and Interpretative Reading of Poetry.

There were eighteen members doing work in

Forensics this year. They were coached by Mr. Koch.

The school contest was on March 2. On that day two people from each division were chosen to represent MHS at the league contest at Brussels on March 10. The winners of the League contest went on to Oshkosh on March 24 for the District Contest.

DRIVER EDUCATION

For eleven years Mishicot High School has conducted a course in both the classroom Drivers Education and the "Behind the Wheel" Training.

The learning experiences involving both classroom and practice driving instruction are a significant part of general education for preparing youths to live safely, efficiently, and responsibly. It is a subject which is in keeping with many others taught in the high school to prepare young people to become better citizens.

Drivers Education is definitely a large factor in the reduction of highway traffic accidents.

Barb:
Luck and success to a friend
Thanks for your help

Jack
Lang

Hi Barbara,
It was real swell
knowing you. I'm
glad I helped you get
started in collecting stamps.
Be good and I hope to
see you this summer.
Cheryl

Hi Barbara,
I really hope
you and I will
be in the future
together.
Love,
Cheryl

Hi Barb,
We had some
good times and then
I graduate. The senior
Youth Center were fun
but so were our dances.
I'm glad the Oracle went so
smooth and I hope you
have lots of success with it
always. May your writing
be in a happy way,
your friend & editor of

Barbara,
So be good and I hope
you have lots of fun
in the future.
Love,
Cheryl

Hi Barbara,
sure has been a riot
among you these past
w. We sure had some fun
the dances in T.L. Did
and Mary Lee have
that night Terry B. &
took you to a the M+M?
is nice having ^{you} as editor
of school paper. For once
will have a neat and
white paper. The first one
on it had considering it
our first one. Pam was
by ~~there~~ fun wasn't it,
glad it turned out all
B. I was surprised to see
many people there. Hope
have alot of fun this summer.
we get together often too.

Love & Success
to a sweet girl
